Liaison

SAO-T-175-62-CW
30 July 1962

Mr. Arthur C. Lundahl
National Photographic Interpretation Center
Washington, D. C.

Dear Mr. Lundahl:

Reference is made to General Carroll's letter of 28 March 62 (DIA-T-15-62) and your reply of 30 March 62 (NPIC/D-44-62). Responsibility for providing for appropriate liaison from the DIA has been assigned to the Special Activities Office.

Effective 30 July 62, [redacted] liaison representative to NPIC, replacing [redacted] who previously fulfilled the liaison responsibilities. In the capacity of [redacted] will be the channel for notification to DIA of receipt of new or pertinent information of military interest arriving in the Center. Conversely, information in DIA of interest to the Center will be channeled through [redacted]. His duties include meeting with the Secretariat and the Operations Board, and, in the absence of [redacted] he will represent DIA on the Advisory Committee. Special requirements for briefing materials, detailed PI, etc., will be submitted through [redacted]
